ROAD ACCESS (APPROACH) DISCLOSURE FORM

This form is for verifying that the permittee, as named below, has or will be granted access (an approach) from his building lot / private road / road right-way easement onto the county road or state highway, as described below.

The permittee must provide to the road supervisor and building inspector a copy of the following:

1. The permittee's building lot plot plan.
2. A property plat map of the property being built on, (obtainable from the county recorder).
3. Documentation that the permittee has a legal right to use the described private road or right- away that crosses any property other than the property that's to be built on. (Must be a recorded right or easement - ongoing with the building lot affected)

All the documentation that is required above and this form must be submitted to the building inspector before a building permit can be issued. Road supervisors may attach any documentation that may clarify road approach issue.

1. Permittee's name: _____ Telephone: _____

2. Permittee's building lot property serial number: _____

3. Road, permittee wants to have access (an approach) onto: [check appropriate box(s) and note road name(s)]

State Highway: _____ County Road: _____

4. Approximate county address(es) of road(s) approach access(es): [determined by zoning administrator]

County road access location: (county address) _____

Highway road access location: (county address) _____

COMPLETE APPROPRIATE SECTIONS: (by road supervisor)

5. COUNTY ROAD: The Sanpete County Road Supervisor will approve the road access (approach) as described on the permittee's plot plan, plat map and as field marked at site of access (approach):
