

TOWN OF STERLING

P. O. Box 650069
Sterling, UT 84665

The Sterling Planning Commission has reviewed your proposal to build a home on lot number _____ in the Town of Sterling at the approximate address of _____ . We have decided to approve your request based on the attached building layout and design drawings. Before proceeding, you must also obtain signatures from the Sterling Fire Chief and from the Sterling Irrigation Company in the spaces below. You must also comply with all Sanpete County regulations and requirements and the current edition of the Uniform Building Code as you proceed with construction.
